

Who are we

We are a social organization providing you with opportunities to meet people, make friends and become acquainted with your community.

Group activities are held weekly, monthly or bi-monthly and are held in the day or evening. They are designed for families or adults and have included such events as pool parties, wine tasting, family picnics, holiday parties, salon night, softball teams, children's theatre outings, home decorating seminars and many other fun mixers. Take a look inside for a description of each group.

Our History

Founded in 1949 as The Newcomers Club of Deerfield, the organization fosters friendship among its members and others in the community to create a civic interest in our community and to acquaint newcomers with the advantages of Deerfield.

50+ years later the organization is still providing opportunities for all in the community and has expanded its membership to include Bannockburn, Highland Park and Riverwoods.

GROUP ACTIVITIES

CONNECT THE TOTS (3-5 yrs)

What a great way for parents and their children to meet and make new friends!! We meet once a week rain or shine!

Some of our fun activities include:

- Tours and visits to fire stations & the Long Grove Chocolate Factory
- Visiting forest preserves, beaches, pools, farms and concerts!
- We also meet in neighborhood parks & malls, indoor play areas or members' homes.

We also encourage philanthropy in our children by supporting a family in need during the holidays.

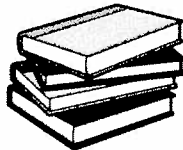

LITTLE ONES (0-3 yrs)

This bi-monthly play group is great for parents who want to get together with smaller children in age appropriate activities.

BOOK REVIEW

Reading one book each month too much? Then this bi-monthly gathering is just for you! Here you will find great books and hearty discussions.

DINERS' GROUP

Get together at area restaurants and for other dining adventures such as wine or chocolate tasting. What a great opportunity to meet new friends and have adult conversations.

LADIES' NIGHT OUT

A variation of the Diners' Group but without the guys. We meet at different local restaurants to enjoy not only good food, but great laughs and memorable conversations!!

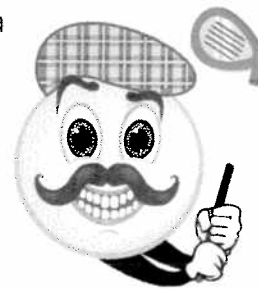

DEERFIELD DINNERS

We are here to help. Our volunteers from within the club provide dinners to families welcoming a new baby, experiencing a family illness or an emergency.

SPORTS & LEISURE

Enjoy tennis, biking, golf or billiards? What about men's softball or better yet -- fantasy football? Then this is for you!! We meet for a friendly outing and then head out for refreshments. No game face needed.

POKER NIGHT

It's not Vegas, but at least it's close to home. It's a low key game where the stakes are low, jokers are wild and drinks and snacks are \$5.

MEMORY MAKERS

Tired of all those pictures stored in boxes or on your computer? Come scrap book!! We meet at someone's home or at a local store for a great time to organize your photos or scrap book. Never scrap booked? Don't worry, we are also eager to share our tips and creations.

PURL GIRLS

Ever wanted to learn how to knit or just get back into it? Come join us and start a project, get tips or offer your expertise.

SPECIAL EVENTS

In addition to our on-going group activities, NDA sponsors many special events over the course of the year, such as:

- Annual holiday & beginning of summer party
- Murder Mystery Party
- Cookie Exchange
- Wine & Cheese Party
- Activities supporting the local food pantry
